

## Toronto to Montreal

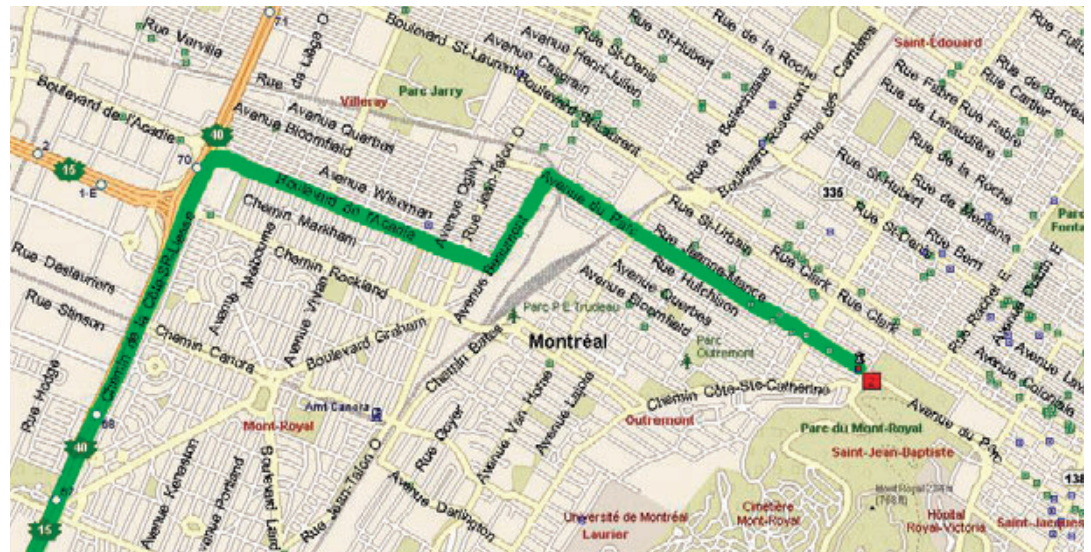

**Distance: 330 miles      Time: 6 hours**

From Toronto, take highway 401 Eastbound towards Montreal. 450 km later (271 miles) you are entering the province of Quebec, the highway name changes to «20 Est». Getting closer to Montreal, take exit 29 which will get you on the highway 540 serving as a junction to get you on to highway 40 East (Est). From the 40 East, Take exit #68 also indicating boul. l'Acadie, turn right on to boul. l'Acadie and continue for 2km (1.2m). Turn left on boul. Beaumont and continue for 1 km (0.6m). Turn right on avenue du Parc and continue for about 2.5km (1.5m), look on your right and there we are!
